In this issue:

- Let's Challenge for Better Life
- Strategic Alliance formed
- New Quester Driving Adventure in Malaysia
- Tips for Smart and Economic driving

Let's Challenge for Better Life

With courage, skills and passion, the challengers move the world forward. For a Better Life.

We challenge to keep trucks moving

Maximum uptime is a cardinal value at UD. Discover the mindset of two technicians from the UD Support Services team, pursuing excellence in service quality, and read about the experience they built through years of service. [Read more...](#)

We challenge to find the best solutions for our customers

In Australia, Patrick Ryan is part of the gamba team, in charge of training UD customers to make the best of all the features of their new trucks. See how he has adapted his work to the current constraints of COVID-19. [Read more...](#)

A new era for UD Trucks

[Volvo Group and Isuzu Motors sign final agreements to form strategic alliance](#)

Volvo Group and Isuzu Motors form a strategic alliance resulting in ownership of UD Trucks being transferred to Isuzu Motors. This alliance will greatly reinforce UD, Isuzu and Volvo, by bolstering up technological synergies, in preparation for the dynamic changes in store for transportation with the coming transition to automation and electromobility. New Quester Driving Adventure in Malaysia

Rengit Multi Trading & Transport, in Malaysia, takes pride in listening to their drivers. They want comfort, power, and a "good feel of the truck", and they are very happy with New Quester, which makes their journeys more enjoyable, safe and relaxing. "The magic of this truck", says Dato' Gan Leong Lian, Group Managing Director, is that their New Questers even help attracting good drivers to join the company.

Did you know

ESCOT is turning 25!
25 years of driving pleasure, total control and relaxing drive, whether in rush hour traffic or on a twisty mountain road.
